

Dear

Because of the ongoing COVID-19 pandemic, getting a flu shot is more important than ever. The flu can weaken your immune system, which can make you more susceptible to getting COVID-19.¹ That’s why we’ve teamed up with Walgreens to encourage all participants to protect themselves with a free flu shot.*

The Centers for Disease Control and Prevention recommends everyone over 6 months of age get a seasonal flu shot. Plus, you’ll reduce your risk of serious illness and even hospitalization.²

Walgreens makes it easy by offering flu shots every day. You can redeem your voucher at any of the Walgreens and Duane Reade retail pharmacy locations—appointments are not necessary. You can get your seasonal flu shot at a time and location convenient for you. When you get your flu shot, present your photo ID with your voucher. Consult with your Walgreens pharmacist if you have any questions or concerns. To find the Walgreens nearest you, call 800-WALGREENS (800-925-4733) or visit Walgreens.com/FindAStore.

Sincerely,

This voucher entitles you to **one free flu shot at Walgreens***

A wellness benefit brought to you by Walgreens
